FOR IMMEDIATE RELEASE - CORONAVIRUS SAFETY MEASURES

To our valued customers,

In light of the recent updates from the Medical community regarding what protocols are necessary to prevent the spread of COVID-19 coronavirus, the management and staff of Jardine Auctioneers are implementing the following safety measures effective immediately.

1. For the safety of our bidders that attend our auction in person, seating will be limited to 75 and spaced accordingly.
2. All Customers will be encouraged to use our Live internet bidding software to participate in all of our auctions. Effective immediately and until further notice, the supplementary internet fee of \$55.00 shall be waived on all purchases.
3. We encourage customers that purchase vehicles to settle their payment with methods other than cash. Debit and Credit cards (up to \$5000.00), wire transfers and E-transfers are all accepted.
4. Our washrooms and restaurant will display a checklist that will indicate the area has been cleaned and sanitized on a regular basis.
5. In our office, regular sanitary measures will be performed on items such as keyboards, telephones, door handles and point of sale machines.
6. In our auction yard, all drivers will be required to wear gloves while operating an auction vehicle.
7. Prior to a customer taking possession of their purchase(s), the following will be sprayed and sanitized...
 - Steering wheel
 - Shift lever / shift knob
 - Door handles
 - Keys

Jardine Auctioneers is also going to reach out to the companies we do regular business with and ask them to join us in implementing similar safety measures. The health and safety of our customers and staff are paramount and we are not taking the spread of this virus lightly.

Sincerely,

John C. Jardine, Owner / President
Jardine Auctioneers Inc.
